RE: BSA Troop 214
4th annual Golf Tournament
Golf Registration

Dear Scouts and Scouting Friends,

We are seeking your support for the fourth annual BSA Troop 214 Golf Tournament. Our tournament will again be held at Willow Springs Golf Course in Haslet on Saturday, Sept. 11, 2010.

Our leaders set high standards for our Scouts and provide a quality outdoor program for our youth, as well as encourage community service. We are a self-supported, boy-lead organization that is administered by a dedicated group of volunteers. Our Scouts receive a solid moral foundation and a strong set of values. The annual golf tournament is the organization's largest fundraiser each year. The proceeds from this event are used to provide advancement awards, badges, outdoor events, leadership training, summer camps, adult training, and camping and cooking equipment.

BSA Troop 214 was first chartered in July 2006 by Crossroads United Methodist Church in Haslet with 5 Scouts and has grown to more than 40 Scouts to date. We are proud of the success of our Troop and ask for your support of this valuable organization. Enclosed you will find a registration form. Please consider supporting our Troop this year!

A portion of our proceeds will go to Tarrant Area Food Bank.

We thank you in advance for your generosity. As an added convenience, you may register and pay on-line at www.bsatroop214.org.

Sincerely,

Karen
