Get your clubs and head for the greens! Boy Scouts of America Troop 214 in Haslet, Texas, is holding its 4th annual Golf Tournament.

Our Scouts develop character, citizenship, and personal fitness through our programs, and we need your support.

Our Troop is self-supported and is responsible for providing the necessary funds for our Scouts. This includes advancement awards, badges, outdoor events, leadership training, summer camps, adult training, camping/cooking equipment, and service projects.

Our Troop began in July 2006 with 5 Scouts and has grown to more than 40 Scouts! We are very proud of the success of our Troop and wish for many more years of encouraging these fine young men.

Help us make their dreams come true!
